

Dockets Management Branch (HFA-305)  
Docket No. 98N-1265  
Food and Drug Administration  
5600 Fishers Lane  
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,  
I OBJECT to the definition of "inordinate amount" which restricts the availability  
and the right to obtain medically necessary compounded medications by limiting  
the number of prescriptions that can be shipped across state lines from specialized  
compounding pharmacies.

COMMENTS: My prescription from Madison  
Pharmacy has been a life-saver!  
I can not get it from anyone  
else, & I feel that I have a right  
to appropriate health care, tailored  
to my individual needs. Please don't  
take this essential right away  
from me & others like me.
